DETAILED ACTION

Allowable Subject Matter

1. Claims 1-6, 10-11, and 13-14 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With regard to Independent Claims 1 and 11, the Applicant has sufficiently amended and narrowly defined an emergency escape tool including a main member having a blade at an end thereof, a hammer provided on an opposite end of the main member, and a clip detachably mounted on the main member. The prior art of record fails to teach or suggest the combination of structural elements, specifically the clip member having two mounting portions bent inwards and two flexible arms to clip the main member at lateral sides thereof and a first hook disposed on one of the mounting portions and a second hook disposed on a back of the clip, claimed therein, and all subsequent dependent claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
